VLADIMIR AND MARIA

— a responsible and organized couple in our late 20s with a calm lifestyle and a stable income. We're looking for a cozy place to call home and value respectful relationships with landlords and neighbors.

Thank you for considering our application. We'd be happy to discuss how we can be ideal long-term tenants for your property.

Hello! We are a married couple who have been together for over ten years. We don't have children or pets, but we're planning to get a kitten soon.

VLADIMIR, 29

Front-end Developer at the international company Manychat.

Employment: full-time

Monthly income: €5,000

Employed since: 2024

MARIA, 28

Former designer, currently a homemaker studying Game Design.

We come from Russia and spent the last few years living in Kazakhstan and Kyrgyzstan. We recently relocated to Barcelona to build a new home and continue our careers here.

Our main hobbies include board and video games, swimming, and football. We enjoy spending quiet evenings at home but also love exploring Barcelona, discovering local culture, and traveling. We appreciate cozy holidays and friendly gatherings with good food and conversation.
